

MRS. GEORGE DONALD STOFFEL
... On Wedding Day

Dean-Stoffel Vows Recited In Chapel Service on May 4

Close friends and relatives gathered at the Halverson-Leveal chapel at 1 p.m. on Saturday, May 4, to witness the wedding ceremony in which Miss Marilyn Dean, daughter of Mr. and Mrs. H. O. Parks, 2356 W. 203rd St., exchanged her wedding vows with George Donald Stoffel, son of Mr. and Mrs. G. R. Stoffel, 24630 Eshelman St., Lomita.

The place of ceremony was marked with white wicker baskets filled with white stock, gladioli and lilies. Tall white candles in standards flanked the floral arrangements.

Mr. Parks accompanied his daughter to the altar. Her gown was of white lace over white net, fashioned with a full skirt and a sweetheart neckline. Her fingertip veil was secured with a semi-circle of blossoms and she carried a colonial bouquet of white carnations and pink roses.

Miss Mary Havel was the maid of honor, wearing turquoise lace and net. Her bouquet was of pink carnations.

Robert H. Smith stood as best man and ushers were Robert Stoffel and Richard Stoffel. Bishop Elbert Steele officiated at the marriage. Mrs. Violet Lee sang "O Promise Me" and "The Lord's Prayer."

A reception was held at the home of Mr. and Mrs. Robert Stoffel, 1959 238th St., after which the couple left for a Las Vegas honeymoon. Upon their return they will be at home at 1533 W. 227th St., Torrance.

The bride was graduated from Torrance High School and the bridegroom is a Narbonne High graduate.

Mom Gets Gift From Little Helper, 'No Question Asked'

"Good for one dishwashing—redeemable on request—with no questions asked," read the first coupon.

There were nine coupons in a book which included many kinds of "jobs" around the home which could be done by "little helpers." The third graders at Perry School made these work coupon books as their gifts to their mothers on Mother's Day.

Cards with lovely sentiments and suitable decorated were also created by the children for the occasion.

"Each child made up his own poem and planned the card's decorations," said Mrs. Betty O'Brient, third grade teacher. "They also chose their own jobs that they wanted to do to help mother."

Among the jobs for which assistance was volunteered "with no questions asked" were window washing, washing the dog, babysitting, ironing, cutting the grass, shining shoes, and even washing the car.

This is the first year this kind of project has been introduced, according to Mrs. O'Brient, and the children became quite excited and enthusiastic over the job possibilities they could handle. Resistance to the idea was described as slight with few demurrers.

There are 18 girls and 16 boys in the class, each of whom has become quite adept at creating beautiful and utilitarian objects. As a group they worked on puppets, an Indian pueblo, pottery, papier-mache bowls, among the many gifts made to take home. This week the class is starting work on Indian costumes made of burlap. These things will be on display the last of the year at the closing program.

"No two of the work coupon books were alike," said Mrs. O'Brient, who fully confided that all the job commitments would be well done.
